

White Water Rafting Trip

Requirements:

Signed Waiver from Scouts Parents before your week at camp

Be competent Swimmer

Tour Permit that states Whitewater Rafting is taking place

Pre-paid registration

We are offering a Whitewater Rafting trip this summer season on the Arkansas River. This trip will be offered to all troops attending camp so sign up fast! A great trip for all ages and experience levels, Brown's delivers a dose of pulsing Class III whitewater, spectacular scenery, and a handful of the most well known rapids anywhere, including Zoom Flume, Pinball, and Big Drop!

- **This trip will depart from Camp Alexander at 8:00am promptly and return to camp between 2:30pm and 4:00pm.**
 - In order for you to make the 8am departure we will be offering this Trip on Thursday morning. This is because your unit will be cooking in your campsite and can prepare the travelers meals earlier. Your scouts will miss some of there Merit Badges but will have the opportunity to make them up on Friday.
- **The cost for this event including transportation and a box lunch will be \$60.00 per person.**
 - This includes travel to and from and a Box lunch for each participant. This event requires pre-registration before arriving at camp so you will need to ensure that all interested participants will be able to pass the swim test at altitude. You can add or change a Scout to your number but cannot subtract.
- **This trip will need a minimum of 25 people paid in order to be a go for the week.**
 - We can take a maximum of 56 people on a single bus and then would need an additional 25 people for another bus trip. You can also schedule this trip through us with a box lunch and provide your own transportation to and from the site at a cost of \$45 per person.

If you are interested please email or call Joe Brandon to be put on the list. We will be confirming the weekly schedule 3 to 4 weeks before each week of camp.

**Thank you,
Joe Brandon
