Scouting prepares us for life. It isn’t about what it does for you, but what you do for the world as a whole... and that goes a long way. - Aidan Woughter, Life Scout, Troop 268
When you hear the word Scouting, what’s the first thing that comes to mind? Some of you would probably say “camping” or “character,” or maybe even “fun.” While these are all great examples, would anyone think “business”? Think about it. Scouting is a business, and we are all employees in the character-building business. It’s our job to light the way for the youth of the Pikes Peak Council, preparing them to become the leaders of tomorrow. Providing experiences that help young men and women become caring and responsible adults, we illuminate the future for them, and for all of us.

2014 was another remarkable year for the Pikes Peak Council. We urge you to review this year’s annual report and reflect on what you can do to make sure the business of Scouting continues to thrive in the Pikes Peak region. Thank you for letting your passion for Scouting burn bright in our community.

Sincerely,

Camp Alexander, Pikes Peak Council’s premier Boy Scout Resident Camp, continues to boast one of the finest programs in all of the Western Region. Ask any of the 2,578 Scouts who spent a week at camp this summer and they’ll tell you the program remains second to none. With a highly trained staff, historic facilities and new programs being added each year, it’s no wonder that the season sells out year after year. Camp Alexander is located in the beautiful Eleven Mile Canyon in the Pike National Forest approximately 45 miles west of Colorado Springs, and two miles south of Lake George, in Park County, Colorado. In 2015, Camp Alexander will celebrate its 70th anniversary! This milestone represents 70 years of providing Summer Camp excellence to youth across our region, the nation, and the world.

Camp A has given me many fond memories as both staff and camper that I will not soon forget...like rock climbing, canoeing, lifesaving, shooting, and mountain boarding to name a few. To say Camp A impacted me would be a dramatic understatement, Camp Alexander has change who I am today in ways that were intentional and unintentional but all were for the better. 
- Micah Maffeo, Camp A Staff/Camper, Eagle Scout

Glen Aspen Ranch is located 4 miles off Highway 24 outside Woodland Park and the property is surrounded on most sides by the Pike National Forest. The land is covered with varieties of foliage and wildlife is abundant and includes herds of elk, deer, bear, red tailed hawks, eagles and much more! There are backpacking campsites available along the ridge at the west boundary for those desiring a more rustic experience. Glen Aspen has a variety of supplies and equipment that groups can use at no cost. Recently the Council Executive Board approved the Ranch for Cub Scout events and activities.

My favorite scouting memory would be when I first finished my time as a cub scout...I can remember almost every moment of that night even though it was so long ago. The amazing grandeur of the chief in his regalia and the lighting of the neckerchief were the best parts of the whole meeting.

Although some think of this night as a minor event, I saw it as the beginning.
